

# My Opinion of Donald Trump's Election to Office

by David J. Stewart | November 2016 | Updated January 2017

***Psalms 146:3, "Put not your trust in princes,  
nor in the son of man, in whom there is no help."***

For what it's worth, I want to share my thoughts with those of my web visitors who value my opinion on the recent election. I share my humble opinion as a grateful born-again Christian, a frustrated U.S. citizen, and a shocked truth-seeker since 2002 when I began my online website ministry. The truth is more stranger than I ever could have imagined. I thank God for the opportunity to help others find the truth. The average churchgoer is in the dark, ignorant in so many ways. One of the goals of my online ministry is to help educate believers concerning the truth about many matters.

I have mixed emotions on Donald Trump winning the election. Although it appears that Mr. Trump fair and square won the election without tampering with the votes, I firmly believe that Mr. Trump was appointed by Freemasons to be U.S. President long before he ever announced his candidacy. The mainstream newsmedia, and even Alex Jones, were instrumental in catapulting Trump into office.

Yet, I am glad that Mr. Donald Trump won the election rather than a lesbian dyke. He's a man's man kind of guy, outspoken, courageous and a true fighter, so it seems. Trump's got guts! He says it like it is. I like him, yet I am cautiously optimistic at best. Trump has flip-flopped on his stance on abortion. For the longest time Trump was pro-choice, but then all of a sudden announced that was pro-life when he decided to run on the Republican presidential ticket. At one time Bill Clinton said he was "pro-life" while governor of Arkansas. Then when he ran as a Democrat for U.S. President, he said that he was pro-choice. What a fraud! These politicians have no integrity, no honor and no respectability. We live in a nation of gullible and foolish churchgoers (many are not true Christians). As a whole, the churches are a big problem in America today, because they support satanic Bible revisions, support manmade Illuminati Israel, they are woefully ignorant concerning the New World Order, and they are easily duped to support evil candidates simply because someone claims to be against abortion. What a sad testimony!

I actually heard Pastor Robert Jeffress of the First Baptist Church of Dallas, Texas, say publicly that he would vote for an atheist to become U.S. President if he was against abortion. No wonder our nation is in peril! Christians are to give their allegiance to the Lord Jesus Christ, not men. Christians are citizens of Heaven. We are pilgrims passing

through here on earth, not settlers. This world is not my home, I'm just-a passing through. Something is very wrong with Donald Trump. Just days before the 2016 Presidential election, the FBI and NYPD went public with evidence that Hillary was involved in child sex crimes, child exploitation, perjury and kidnapping. Then they mysteriously decided not to prosecute her? What an obvious ploy to sway the election! Yet, Mr. Trump praised Hillary when he won the election. What kind of man praises a known satanist and child predator? Please watch the following shocking documentary about the Clinton's sex perversion and satanism. [What Is The Illuminati? - Part 1](#) | [Part 2](#) | [Part 3](#) | [Part 4](#) | [Part 5](#) | [Part 6](#) | [Part 7](#) | [Part 8](#).

I hesitated to make any predictions, because it was really difficult for me to decide who would win. Albeit, I had my leanings toward Trump for two reasons: 1) The last time a Democrat was elected as U.S. President after a two term Democrat was in the year 1836; and 2) Historically, Republicans and Democrats always rotate back n' forth, so it was time for another Republican President. Check out how hilarious Hillary's supporters became upon hearing that she lost the election, [crying like babies](#). Good, they lost their dyke lesbian fascist queen of Hell. Still, I think Mr. Trump is a slick deception, who ultimately will further the agendas of the Luciferian elite who are behind the satanic New World Order (NWO).

## A House Divided Cannot Stand

**Acts 23:6-8, "But when Paul perceived that the one part were Sadducees, and the other Pharisees, he cried out in the council, Men and brethren, I am a Pharisee, the son of a Pharisee: of the hope and resurrection of the dead I am called in question. And when he had so said, there arose a dissension between the Pharisees and the Sadducees: and the multitude was divided. For the Sadducees say that there is no resurrection, neither angel, nor spirit: but the Pharisees confess both."**

As you just read, the Apostle Paul was in a hot spot, about to be condemned by an angry mob. So Paul used wisdom. He turned the crowd against each other! When Paul realized that he was in a mixed group of Pharisees (who believed in the resurrection) and Sadducees (who didn't believe in the resurrection), he divided them easily by simply SAYING THE RIGHT WORDS!

Our American public is just as easily manipulated and divided, simply by the controlling elite SAYING THE RIGHT WORDS through the newsmedia!!! Newsmedia celebrities are nothing more than highly paid profession teleprompter readers, prestittutes and dirty liars. I am now a half-century old. I've been around long enough to watch the two-party U.S. political system turn everything honest, Christian and decent on its head, and I've concluded that we're all victims of a bunch of lying criminals. Politicians will say anything to get elected, promising the pot of gold at the end of the rainbow that doesn't exist. Things are always changing, and yet nothing ever changes! As our political system teeters back-n-forth, term after term, and the American people think things are always going to get better, ultimately they always get worse!!! This is all by design. The old world must fail for the new world to succeed. If Mr. Trump is not the Antichrist himself (I don't think he is), he will prepare the way for the coming Antichrist.

The American people (especially Christian believers) need to understand that [Luciferians control our nation](#). If you deny that, they have fooled you as intended. I don't expose Mr.

Trump to be critical; but rather, to be truthful. Perhaps you like to be manipulated by the Devil's crowd, but I don't. We've got transgendered restrooms now all across America!!! Do you think Mr. Trump cares and is going to do something about it? Ha! Not a chance! When a U.S. President does damage to our nation, the blame leaves office with him, but the true [puppet masters are never exposed](#), who pull all the strings from behind the scenes.

Satan's greatest advantage over humanity is convincing the world that he doesn't really exist. Rock singer (if you can call it that) Ozzy Osbourne would have us all believe that [his blatant satanism](#) is all a sales gimmick. Right! Whether Ozzy believes in Satan or not, Satan believes in Ozzy! During Barack Obama's eight year nightmare term in office, our nation was literally driven into the ground economically, morally and in every other way. Wall Street banksters stole more taxpayer money during Mr. Obama's two terms in office, than all U.S. Presidents combined before him.

It would have been too obvious to continue the downward destructive slide. So the Luciferians behind the scenes change the direction for another 4 to 8 years (Trump has already bragged that he will be U.S. President for 8 years). The nation is spiraling downward in a pattern of two-steps down and one step back up, two steps down and one step back. By maintaining this IRREGULAR but progressive PATTERN, the public is totally disoriented, deceived and pitched one against each other. AMERICA IS A HOUSE DIVIDED!!! Donald Trump appears to be a savior compared to Mr. Obama's disastrous presidency, but the damage done under President Obama won't be undone. Same-sex marriage and transgendered restrooms are here to stay!

Roe vs. Wade legalized abortion in 1973 and WON'T be overturned, regardless of which judges Mr. Trump appoints to the U.S. Supreme Court! U.S. Supreme Court justices are PUPPETS!!! They always vote 5 to 4 in favor of keeping abortion legal. What a hoax!!! I for one am tired of being played by the Illuminati. I don't buy into their lies anymore! I am on to what they are doing. Mr. Trump is a winsome personality, definitely a man's man kind of guy, and I like him a lot, but he is just a temporary delay in the imminent destruction of the United States!

## **I Like Mr. Trump's Wit and Toughness, But I Don't Trust Him**

Pastor Jimenez rightfully exposes Mr. Trump as being covetous, vulgar and proud. [Pastor Roger Jimenez Preaches About Why Donald Trump Is A Wolf In Sheep's Clothing!!!](#) AMEN BROTHER JIMENEZ!!! It is obvious to me that Hillary Clinton was deliberately placed in competition with Donald Trump, so that nearly every Christian and evangelical in the United States would be overly thankful to have Trump as their leader instead of the likes of a devil like Hillary Clinton. Voting for the lesser of two evils sends a clear message to the Luciferian elite that they can continue to give us horrible candidates, because we'll vote for them every time, just as long as one is a little better than the other guy! If they give us Adolf Hitler and Jeffrey Dahmer, America's churches will vote for Adolf Hitler! The [Clintons are known murderers, drug-traffickers, sex perverts, liars, opportunists, child predators and satanists!](#)

## **[The Documentary On Donald Trump He Tried To Suppress](#)**

Today's politicians are of the Devil. America needs to go down the tubes! Today's shallow Christians are willing to compromise their morals and principles. Most Christians foolishly

think that it is wise to align themselves with the Republican party! IT IS WICKEDNESS!!! At [a rally in Iowa in February of 2016 Donald Trump said](#), “I like money. I’m very greedy. I’m a greedy person. I shouldn’t tell you that, I’m a greedy - I’ve always been greedy. I love money, right?” We are told in the Holy Bible in 1st Timothy 6:10 that the “LOVE OF MONEY IS THE ROOT OF ALL EVIL.” According to the Holy Bible, Donald Trump has an evil heart of covetousness. I’ve actually heard Christians foolishly saying that “Donald Trump is a God send!” The man has accumulated his massive wealth through exploiting the greed of people with gambling casinos. Mr. Trump has a sordid reputation. We might as well have Dick Cheney in the White House as U.S. President! There is no way that any Christian could vote for someone like Trump or Hillary and be right with God. Most pastors today are not preaching the Holy Bible!!!

I do admire Trump's manliness, that he speaks with authority and carries himself well. I like that! Yet, what kind of man is he really? [Mr. Trump is a known Freemason occultist!!!](#) Check out [this video, exposing Trump's Freemason elite connections](#) (notice his daughter's obsession with flashing occult hand signs). Trump appears to be a member of the Illuminati elite. I don't trust him. I don't trust any man who flip flops on abortion. I don't trust any man who brags about his greed and love for money. I don't trust any man who has a vulgar mouth, shirks away from a profession of faith in Jesus Christ, and vows to overturn abortion. Trump WILL NOT END ABORTION!!! Roe V. Wade is not in jeopardy! Don't be so naive Christians! The hope for America is not in Donald Trump or any politician. The only hope for America is in Bible-believing Christians who are into soul-winning, preaching the Gospel! The government's going to do NOTHING! Our nation's hope is not in a wicked man or woman. Mr. Trump is not what he appears to be. ### **[President Trump PBS Frontline Documentary](#)**

If you didn't watch them yet, the following videos are shocking, revealing “orgy island” that the Clintons frequented, and their involvement in pedophilia and Satanism. [What Is The Illuminati? - Part 1](#) | [Part 2](#) | [Part 3](#) | [Part 4](#) | [Part 5](#) | [Part 6](#) | [Part 7](#) | [Part 8](#). It's hard to imagine that anyone would vote for a scumbag like Hillary or Bill, but wicked people support wicked people, regardless of how evil they may be. **Proverbs 28:4,** “**They that forsake the law praise the wicked: but such as keep the law contend with them.**” Hillary's supporters were mostly kooks, quacks and queers! God pity the evil woman that supports an evil person like Hillary Clinton. I wish I could say that I'm glad Mr. Trump won, but I don't think it will make a hill of beans difference from Hillary. The New World Order is not in jeopardy.

## **[U.S. President Trump Set To Enact More Gun Control](#)**

Alex Jones' show has become so lame, getting deep into political mud slinging, but the truth is not being promoted as Alex once preached. Alex is becoming just another shill like the rest of the mainstream media. By fully supporting Trump, Alex is helping to promote the New World Order. I heard Alex yesterday on “The Alex Jones Show” (Episode: Wednesday, November 9, 2016) saying that Mr. Trump is going to “TAKE BACK

America from the Globalists.” Ha, ha, ha! I'll believe that when I actually see it happen. I don't know what will happen, but I am 100% convinced that Mr. Trump is going to lead America toward more war, which equates to billions more for the banks in reckless debt-spending. I'll trust a candidate when I hear him or her vowing to rid our nation of Freemason control over our nation's capitol. Freemasons founded America, and their ultimate goal is to build world government (aka, a New World Order). This will be the Beast system of the coming man of sin, THE ANTICHRIST!!! (Revelation 17:10-11).

Ungodly Americans today are voting for dyke lesbians, child predators, murderers and drug traffickers. Even deceived Christians are voting for such ungodly reprobates. Alex Jones is 100% correct in saying: **“And I'm not bashing women, it's just, these are dumb-ass women, man. I mean, let's be honest, they are dumber than sacks of sh\*t!”** You're right Alex and I agree with you!!! American women today are angry, empowered by the courts to hurt men; women today are as foolish, and rebellious as can be. [Marriage is a Minefield for Men](#). Getting married at best is a big gamble, because you really don't know what a person is like until you've lived together as husband and wife. ## Only Time Will Tell if Donald Trump is As Honorable as We All Hope He is!

I don't have much hope that Mr. Trump will change anything. You need to keep in mind that Luciferians are in control behind the scenes. This is evidenced by the [numerous disturbing quotes](#) from top leaders and men of influence. I believe Trump was chosen to be U.S. president long before he ever announced his candidacy. I think the campaign was all staged. The Clintons attended Mr. Trump's wedding several years ago. They were golfing buddies. Trump is a member of the New World Order establishment. They're all birds of a feather and they flock together! Personally, I don't trust any of them! So I believe that Donald Trump and the Clintons are friends behind the scenes, and the whole campaign and newsmedia coverage were carefully articulated for the benefit of shaping public opinion. The newsmedia could have destroyed Donald Trump if they wanted, but they catered to him all the way. Oh sure, they criticized him a bit here and there, but overall media coverage catapulted Trump into the White House.

The following disturbing quote exposing the Federal Reserve Banks is from a courageous speech that Congressman Louis T. McFadden gave to the U.S. House of Representatives on June 10, 1932:

**“Mr. Chairman, we have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks. The Federal Reserve Board, a Government board, has cheated the Government of the United States and the people of the United States out of enough money to pay the national debt. The depredations and iniquities of the Federal Reserve Board has cost this country enough money to pay the national debt several times over. This evil institution has impoverished and ruined the people of the United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates,**

**through the maladministration of that law by the Federal Reserve Board, and through the corrupt practices of the moneyed vultures who control it.”**

**SOURCE: [Congressman Louis T. McFadden's Speech in the House of Representatives - June 10, 1932](#)**

Hell is coming up to get these evildoers upon their death! Isaiah 14:9, “Hell from beneath is moved for thee to meet thee at thy coming: it stirreth up the dead for thee, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations.” Isaiah 5:14, “Therefore hell hath enlarged herself, and opened her mouth without measure: and their glory, and their multitude, and their pomp, and he that rejoiceth, shall descend into it.”

I don't expect Mr. Trump to change the core destructive forces behind America's demise. The core cause of our nation's disease is the Federal Reserve Banksters, who [hi-jacked the issue and control of our nation's money since 1913](#). They are 1,000 times more evil and dangerous than Al Capone, Bugsy Malone, Dillinger and all the infamous criminals combined of the 20th century!!! Mr. Trump won't rid our nation of the [Federal Reserve System](#), which is at the very heart of our economy's woes!

U.S. President John F. Kennedy warned the American public about infiltration of the White House by a secret society. Some liars have tried to say that Kennedy was speaking about foreign powers trying to infiltrate the White House, but listen to Kennedy's own words, in which he plainly warns about [a secret society trying to takeover the office of the Presidency](#). JFK says that the masquerade of security will be used to strip away the liberty of the American people. The Communist threat has always actually been an Illuminati threat, for it was the Luciferian elite who created both ideologies of Naziism and Communism! [Luciferians control the world!](#) They are called “secret societies” for a bad reason, because they are secret societies which have evil agendas! One day their evil deeds will be made manifest for all to see, and God shall judge them for their wickedness. Luke 8:17, “**For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad.**”

Satan is a liar, and his works are evil, which is why Freemasons are extremely secretive and arrogantly pride themselves in their manipulative influence over their unsuspecting neighbours. Any good done by Freemasons is a front for hardcore evil and Luciferian worship (aka, Baphomet). Freemasons are the architects of the Devil's New World Order, and Lucifer is called “The Great Architect.” No Christian should ever join such a satanic organization, where praying in Jesus' name is strictly prohibited at lodge meetings.

I expect Trump to make some definite positive changes, to convince the American people that they did the right thing for voting for Trump. However, Mr. Trump has promised to export only 2,000,000 of the 50,000,000 illegal immigrants that have already flooded illegally into our nation. That's hardly an improvement! He has also vowed to bring back 25,000,000 jobs that have been outsourced to foreign soil. I'll believe that when I see it! If Trump does create any jobs, they will be low-wage service type jobs (Burger King, Wal-Mart, et cetera). Only time will tell if Mr. Trump is just another big liar, as are all his predecessors in the White House.

I do expect Mr. Trump as President to build up our military, which will make the international banking cabal all the more richer and prepare America for World War III.

That's exactly what the Illuminati want and are preparing for. The meddling in the Middle East will continue. ISIS (CIA) terrorism will only get worse! More U.S. troops will be deployed. America's reckless debt-spending will continue!!! The welfare/warfare state will continue, just as [Dr. Ron Paul has predicted](#). Sadly, most of America's churchgoers are stupid. Donald Trump said all the right things and now Christians view him as a Savior, but you're only going to be disillusioned and disappointed in 4 to 8 years. When Mr. Obama took office, every kook, quack and queer felt good that their man was in office. And now it's the Christian's and conservative's chance to feel like their man is in office.

Meanwhile, the whole country continues to deteriorate morally, economically and Americans get dumber, poorer and fatter. Folks, things can only get much worse until America repents toward the Gospel and embraces Christianity again. I am surprised that Americans are covered in tattoos today, whereas they weren't 15 years ago. This is the consequence of Hollywood and the satanic music industry, which are preparing the masses to receive the Mark of the Beast when he comes. All that will need to happen for the masses to receive the mark is for their favorite celebrities to take the mark, and THEY WILL!!! [We now see them making all sorts of satanic gestures and signs](#).

Mr. Trump has also promised to beef up police efforts through special task forces to clean up the gangs, drugs and crime in our nation's cities. That means President Trump will build the police state for the Illuminati!!! We will continue to see the federalization of local police departments. I wish I could believe that Donald Trump is sincere, but I do not at this point. Trump cannot be judged until he has been in office for some time. We need to see what he does, and if he enables or disables the Luciferian forces at work to destroy America. It is my humble opinion that Trump will do some good to benefit Americans, while at the same time escalate the New World Order significantly. I think any positive changes made will pale in comparison to the damage already done by previous Presidential administrations. I predict that by the time Trump leaves office in 2020 or 2024, the New World Order will be much further along than hindered in any way. Whether Democrat or Republican, they are merely two separate legs walking in the same direction of a New World Order!!! Both parties are rotten and corrupt to the core!

Have you ever wondered why things never change in Washington D.C., no matter who American citizens vote for? It is because America's politicians are selected by the wealthy elite (corporate CEO's, Wall Street executives, Freemasons and Zionists). Purportedly, U.S. Presidents are pre-selected at private Bilderberg meetings. The following is a quote from journalist Lewis Lapham...

**"The shaping of the will of Congress and the choosing of the American president has become a privilege reserved to the country's equestrian classes, a.k.a. the 20% of the population that holds 93% of the wealth, the happy few who run the corporations and the banks, own and operate the news and entertainment media, compose the laws and govern the universities, control the philanthropic foundations, the policy institutes, the casinos, and the sports arenas."**

**SOURCE:** [The Age of Neo-Feudalism: A Government of the Rich, by the Rich, and for the Corporations](#)

The fact that a scumbag Luciferian worshipper like Hillary Clinton was even placed on a ballot for the American people to vote for, shows how rotten, depraved, corrupt and rigged the entire presidential election process really is. What a sick joke!!!

The answer to America's woes is not in the White House. Donald Trump will not be our nation's Savior. Abortion will not be made illegal. I expect to see limitations on late-term abortions, perhaps, but Roe v. Wade will NEVER be overturned!!! Our nation is too far gone spiritually. The same-sex perversion made into law on June 25, 2015 will NEVER be overturned. Don't be fooled by Mr. Trump's antics and rhetoric! Everything that Trump is spewing today is an illusion to dupe the public to trust him. I have to admit that everything he says sounds GREAT!!! I prayed for Mr. Trump today. I hope to see great things from his administration, but unfortunately, I only expect to see more war in the Middle East. This is what Albert Pike predicated before his death in 1891... [Three World Wars!!!](#) The only hope for America is Biblical Christianity!!! The Gospel is what changes men, through the power of the indwelling Holy Spirit.

I read today in the New York Times that Mr. Trump is considering appointing the CEO of J.P. Morgan as U.S. Secretary of the Treasury. That's like appointing a wolf to oversee the hen house! What a wicked government! In order to understand how evil all of this is, you need to learn about the [Federal Reserve Banking System](#), and how [fraudulent the whole evil invention](#) truly is. Mr. Trump will continue to serenade the white shoe boys on Wall Street, allowing them to rip-off and [rape the American people](#) financially.

The blatant criminal takeover of the White House, the forcing of transgendered restrooms and locker-rooms on the American public, and the obvious attack nationwide against Christianity, has compelled the Luciferian elite to put a shill like Donald Trump into the White House in an attempt to avert civil war from angry Americans!!! The illusion of liberty only works as long as it can effectively be maintained. Once the truth is out, the power of the illusion is gone! Trump's primary job is to restore the faith of evangelical churchgoers and conservative Americans in the federal government. This will enable the subversion of America to continue. Shallow Americans will think small and praise Trump for small improvements, while foolishly failing to see the big picture that a New World Order is still advancing. There's not a dime's difference between Globalism and Communism! With Globalization comes poverty to the United States, loss of private property, and the increase of big government to oppress the people! Let's see if President Trump restores American sovereignty!

The Bible teaches for Christians to obey the higher powers, God being the highest (Romans 13:1-10). The rule of law in America only applies to certain citizens. The Clintons are above the law. Did you see how the FBI and NYPD came out exposing Hillary Clinton's sexual exploitation of children, satanism and other crimes before the election, and then they just dropped it all? The CIA and NYPD are controlled by the Illuminati! The CIA and FBI are compromised at the highest offices. The Luciferian powers that be wanted Donald Trump to win! Satan is the god of this world (2nd

Corinthians 4:4). Satan controls the world at the highest levels through satanic organizations and occult secret societies. Hillary is untouchable!!! She'll never go to prison! I'd be surprised if she did. Don't think Donald Trump is any better, who made his billions from ungodly gambling casinos, featuring whores, drunkenness and all manner of wickedness. Furthermore, Mr. Trump is NOT a born-again Christian, despite what

religious fools claim. I'll believe that Trump is a Christian when he publicly professes his faith in the Gospel of the Lord Jesus Christ.

America will NEVER become great again without a return to the Christian principles that built our nation. Alex Jones' demonic Led Zeppelin music won't save America. Matt Drudge's homosexual lifestyle won't save America. Rick Warren's false Gospel won't save America. The satanic modern Bible revisions won't save America. Today's henpecked pastors with no backbone won't save America. Donald Trump's secularism won't save America. [Bob Jones University](#) is a theological hellhole that's helping to destroy America, by promoting the satanic modern Bible versions. They simply won't stand for God's Word. This Bible, that Bible, they are OK with dozens of different conflicting Bible revisions. Something is VERY WRONG with their hearts. I've met their graduates and it is a shame! God only wrote ONE BOOK, not dozens or [hundreds!](#) Feminist women are ruining America, with their sassy bad attitudes and disrespect for men. Everything is going to hell, especially our independent Baptist churches who teach [turning from sins to be saved](#). Only faith in Jesus Christ as our Savior can save our nation!

Every four to eight years the idiot public runs from Democrat back to Republican, eating up all the insane propaganda, never being the more wiser for it. We're all a bunch of idiots in America!!! The wickedness is only getting worse. Hollywood is waxing filthier, more violent, more pedophile and more blasphemous. Yet, society continues to fall apart and no one indicts Hollywood for their destructive influence on society. We are an insane self-destructive culture in denial. Here is an informative quote from Infowars.com:

**...the global elite just don't have a lot of money. They also basically own just about every major bank and every major corporation on the entire planet.**

**According to an outstanding *NewScientist* article, a study of more than 40,000 transnational corporations conducted by the Swiss Federal Institute of Technology in Zurich discovered that a very small core group of huge banks and giant predator corporations dominate the entire global economic system...**

**"An analysis of the relationships between 43,000 transnational corporations has identified a relatively small group of companies, mainly banks, with disproportionate power over the global economy."**

**The researchers found that this core group consists of just 147 very tightly knit companies...**

**"When the team further untangled the web of ownership, it found much of it tracked back to a "super-entity" of 147 even more tightly knit**

companies – all of their ownership was held by other members of the super-entity – that controlled 40 per cent of the total wealth in the network. “In effect, less than 1 per cent of the companies were able to control 40 per cent of the entire network,” says Glattfelder. Most were financial institutions. The top 20 included Barclays Bank, JPMorgan Chase & Co, and The Goldman Sachs Group.”

**The following are the top 25 banks and corporations at the heart of this “super-entity.” You will recognize many of the names on the list...**

**The ultra-wealthy elite often hide behind layers and layers of ownership, but the truth is that thanks to interlocking corporate relationships, the elite basically control almost every *Fortune 500* corporation.**

**The amount of power and control that this gives them is hard to describe.**

**Unfortunately, this same group of people have been running things for a very long time. For example, New York City Mayor John F. Hylan said the following during a speech all the way back in 1922...**

“The real menace of our Republic is the invisible government, which like a giant octopus sprawls its slimy legs over our cities, states and nation. To depart from mere generalizations, let me say that at the head of this octopus are the Rockefeller-Standard

**Oil interests and a small group of powerful banking houses generally referred to as the international bankers. The little coterie of powerful international bankers virtually run the United States government for their own selfish purposes.**

**They practically control both parties, write political platforms, make catspaws of party leaders, use the leading men of private organizations, and resort to every device to place in nomination for high public office only such candidates as will be amenable to the dictates of corrupt big business.**

**These international bankers and Rockefeller-Standard Oil interests control the majority of the newspapers and magazines in this country. They use the columns of these papers to club into submission or drive out of office public officials who refuse to do the bidding of the powerful corrupt cliques which compose the invisible government. It operates under cover of a self-created screen [and] seizes our executive officers, legislative bodies, schools, courts, newspapers and every agency created for the public protection."**

**These international bankers created the central banks of the world (including the Federal Reserve), and they use those central banks to get the governments of the world ensnared in endless cycles of debt from which there is no escape. Government debt is a way to "legitimately" take money from all of us, transfer it to the government, and then transfer it into the pockets of the ultra-wealthy.**

I have listened to Donald Trump's numerous campaign promises of what he intends to do as U.S. President and it is exciting if he were to accomplish even half of the things he said. Yet, we've been lied to so many times before by politicians that I don't trust any of them anymore. The fact that Hillary Clinton was even running for political office in 2016 speaks volumes against the whole election system. How does a complete loser like Hillary end up on the ballot? It just evidences how rigged and corrupt the whole election process really is. Mr. Trump is going to have to prove himself before he wins my support. No Christian should ever vote for wicked people. I would never vote for the lesser of two evils, because we ought not vote for any evil.

From listening to Mr. Trump along the campaign trail, he has changed his story numerous times. Whereas at first he spoke of "bombing the hell" out of Arab countries, oil pipelines and all, he later changed his position and downplayed the use of military weapons. Americans are tired of lying politicians and flip-floppers who will say anything to get elected, then break all their promises once in office. I'm going to pray for Donald Trump, for God to destroy him if he goes back on his promises! I am very skeptical for good reasons. I am looking at the big picture. If you've never read the awesome book by Commander William Guy Carr (1895-1959), "[PAWNS IN THE GAME](#)," you are really missing

out on the most informative book on the powers behind the New World Order. Also, please see, "[THE CONSPIRACY](#)," by the same author.

Don't miss the fact that Mr. Trump failed to mention the problem of Hollywood and the sex-perverted music industry. We've got some serious morality issues in the United States. And why would Trump criticize a hellhole like Hollywood, why he owns and operates multiple gambling casinos and lewd beauty pageants? Trump is at best a worldly man. Hollywood is the Mecca of perverts everywhere! Talk about pervert park! God will one day burn Hollywood to the ground! You've got more pedophiles per square mile in Hollywood than anywhere else in the United States! Hollywood is more homosexual than all of San Francisco! Yet, Hollywood gets a special pass and is above the law! Rock n' roll music has corrupted our nation, leading generations of youth into rebellion, substance abuse, sexual immorality, abortion and now sodomy! Donald Trump is a fool if he thinks he'll restore America's greatness in spite of our nation's infatuation with wickedness and rejection of Christianity!!!

America is no longer great because its citizens have wimped out, allowing criminals to take over, because sin has become commonplace in our culture of death and decadence. Our churches have forsaken the pure Words of God by superceding the King James Bible with the [modern Alexandrian revisions](#). What a joke to even think for one moment that Donald Trump will restore America's greatness when our nation's Supreme Court just legalized same-sex marriage in June of 2015. Trump didn't mention anything about undoing that perversion! God will not bless a nation that honors homosexuals, adulterers, blasphemers and murderers!!! The Holy Bible warns us of "lying wonders" in the End Times (2nd Thessalonians 2:1-10). Whether Mr. Trump will turn out to be another "lying wonder" (as were the 9/11 attacks), or a respectable U.S. President that we can truly be grateful for, only time will tell. Trump's got his chance (unless the Globalists assassinate him as Alex Jones is now warning post election). We shall see! Even so, come, Lord Jesus! END
